EUNAM Marrakesh Meeting April 22-23, 2013

Atlas Medina & Spa Marrakesh Hotel, Marrakesh, Morocco

Attached the decisions taken in the meeting and plans for the next meeting

DECISIONS
The program, list of attendees, the decisions and any published articles granted by EU FP7/2007-2013 grant 260715 will posted on the EUNAM web sites (http://www.dkfz.de/en/molgen_epidemiology/EUNAM/EUNAM.html) together with the ppt presentations.

General decisions:
1) The meeting agreed with the use of e-signature in the future correspondence.
2) The meeting made a preliminary decision about a course given by the EUNAM partners in the fall 2014 in Slovenia or Ferrara. Kari Hemminki will negotiate with the advisory group in Slovenia.

Funding decisions:
1) The meeting agreed with a 1-year funding for Imane Meziane from Casablanca to develop mathematic models for breast cancer risk evaluation in Moroccan and European women in DKFZ, Heidelberg. The annual cost is around 22,000 €.
2) The meeting agreed with a 1-year funding for Natascia Rinaldo from Ferrara for a study in “Health, nutritional status and body image in women with North African origin” to be carried out in Ferrara and the North African countries. Depending on the progress of the study (report after one year), a continuation possible. The annual cost is around 18,000 €.
3) The meeting made a conditional decision of a 1-year support for Chaumaa Marouf from Casablanca for a study on Moroccan breast cancer in DKFZ, Heidelberg. Final decision depends on the results of further negotiations between Kari Hemminki and Chaumaa Marouf. The annual cost is around 22,000 €.
4) A written request is needed for any application of funding. The training should take place between the EUNAM partners and a written confirmation from the receiving partner should be attached.

Next meetings:
The next meeting will take place on September 26-27, 2013 in Malmö, Sweden, organized by Jan and Kristina Sundquist.
The place for the subsequent meeting will be decided in Malmö.
