DKFZ Alumni/Cancer Letters

5.000 € Award

for International Scientists

Deadline for applications: April 28, 2016

Announcement

The DKFZ Alumni Association announces the

DKFZ Alumni/Cancer Letters Award for International Scientists

who have produced outstanding research results in the field of cancer research. The award is endowed with 5.000 €.

Eligible for the Award are international Scientists at DKFZ and DKFZ Alumni working abroad. The prize will honour **achievements in cancer research at or in cooperation with the DKFZ** that have been published during the past five years or are in press.

Deadline for applications: April 28, 2016

Applications or nominations should contain a short CV of the candidate and her/his publication record over the last five years, as well as an overview describing the candidate's specific contribution to cancer research at the DKFZ (not more than one page A4) and a copy of the candidate's most significant publication(s). Complete applications should be submitted electronically to the secretary of the Alumni Association Elfriede Mang (e.mang@dkfz.de).

The Award will be presented by the Chairman of the DKFZ Alumni Association at the reception on June 10, 2016 during the Alumni meeting. The final program of the meeting can be found at www.dkfz.de/alumni/events.
