

Einrichtung von eduroam auf Windows-Endgeräten

1. geteduroam.app besuchen und die Windows Version der App herunterladen.

The screenshot shows the website for 'geteduroam'. The navigation bar includes 'Home', 'Apps', 'GitHub', and 'Mailing list'. A sidebar menu on the left lists various sections like 'Introduction to geteduroam', 'Project goals', 'Frequently Asked Questions', 'User instructions', 'Connecting using geteduroam', 'IdP information', 'Pseudo-credential and CAT', 'Developers', 'Contributing to geteduroam', and 'API for obtaining client certificates'. The main content area features the 'geteduroam' logo, the text 'NORDUnet, DeIC, SURF, Uninett', and three download buttons: 'GET IT ON Google Play', 'Download on the App Store', and 'Windows'. The 'Windows' button is highlighted with a red box. Below the buttons, a text block states 'geteduroam is a project to simplify the process of connecting to eduroam for end users'. A link 'Next - Introduction to geteduroam' and the date 'Last updated on 14 Jul 2022' are also visible. At the bottom, it says 'Powered by Hugo. Theme by TechDoc. Designed by Thingsym.'

2. Die heruntergeladene `geteduroam.exe` ausführen und `Connect to eduroam` anklicken.

3. Nach **DKFZ** suchen, den Eintrag **Deutsches Krebsforschungszentrum (DKFZ)** auswählen und auf **Weiter** klicken.

The screenshot shows a window titled "Institution auswählen". At the top, there are standard window controls (hamburger menu, question mark, minus, square, and close). Below the title is a search input field containing the text "DKFZ". A dropdown menu is open below the input field, showing a single search result: "Deutsches Krebsforschungszentrum (DKFZ)". At the bottom of the window, there are two buttons: "Vorheriges" and "Weiter". The "Weiter" button is highlighted with a red border. In the bottom right corner, the version number "4.2.0" is displayed.

4. Weiter anklicken.

5. Nutzernamen und Passwort ausfüllen.

Der Benutzernamen lautet `userid@dkfz-heidelberg.de`, **nicht** die E-Mail Adresse!

The screenshot shows a login window titled "Anmelden". Below the title, it says "Geben Sie Ihren Benutzernamen und Passwort ein". There are two input fields: "Benutzername" containing "userid@dkfz-heidelberg.de" and "Passwort" containing a series of dots. A blue button labeled "Verbinden" is at the bottom. The version number "4.2.0" is in the bottom right corner. Red boxes highlight the username field, the password field, and the "Verbinden" button.

6. Das Profil ist nun installiert und Ihr Gerät sollte sich nun automatisch mit dem Netzwerk **eduroam** verbinden.

Die Installation ist nun abgeschlossen.
